Booking Terms and Conditions

Wayfinder Holidays Pvt. Ltd.
Version v1 | Effective 2026-04-01

1. Purpose and scope

These terms explain the booking contract for domestic and international holidays. The Cancellation and Refund Policy, WH-POL-003, applies to cancellation and refunds.

2. When does a booking contract start?

A customer plans a 1 to 7 day trip in the app, selects “Book this trip”, and the booking is created instantly. The booking receives a WH-YYYY-NNNNNN reference, status Booked, trip type Domestic if the destination is in India or International otherwise, the chosen fare type, and the policy version in force on the booking date. The contract starts when the booking is created.

3. What do booking statuses mean?

Booked means the trip is active. Cancelled means a cancellation has been confirmed and a cancellation reference has been issued. Completed means the trip has ended. A booked trip cannot be deleted from the app until it is cancelled.

4. What fare type applies?

Standard is the default fare and uses the Standard cancellation tiers. Flexi provides a 0% cancellation charge at 30+ days before departure, then the relevant Standard tiers. Promo has a 100% cancellation charge at any time after booking. The fare type cannot change after booking; see WH-POL-003.

5. What is included and excluded?

The package includes the app itinerary and services listed in Customer Care’s booking confirmation, typically accommodation and transfers, plus travel insurance for international trips. Exclusions include attraction entry tickets, meals not listed, personal expenses, visa fees unless stated, and tips.

6. What must the traveller do?

Each traveller must hold required documents, meet health requirements, arrive punctually, behave appropriately, and follow local laws. A traveller may freely reorder, add or remove sightseeing stops in the app. Date, destination and traveller-name changes are amendments handled only by Customer Care; see WH-POL-005.

7. How are payments and supplier changes handled?

Prices, payments, invoices and supplier vouchers are handled by Customer Care outside the app. The app and AI assistant cannot show prices, amounts, invoices or payment status. Wayfinder Holidays may make supplier changes or substitutions of a similar standard where reasonably necessary. Liability limits in WH-POL-001 apply.
