Cancellation and Refund Policy

Wayfinder Holidays Pvt. Ltd.
Version v1 | Effective 2026-04-01

1. Purpose and scope

This is the only cancellation policy. It applies to domestic and international Booked trips and explains cancellation charges, refunds and the limited special-case process.

2. How is the cancellation date counted?

“Days before departure” means calendar days from the date a cancellation request is received to the departure date, which is the trip start date, without counting the departure date. A request received after 18:00 IST is treated as received on the next calendar day. All times and dates are IST.

Example 1: a request received on 1 May for a 31 May departure is 30 days before departure. Example 2: a request sent at 18:01 IST on 1 May for a 31 May departure is treated as received on 2 May and is 29 days before departure. Example 3: a request received on the departure date has a 100% cancellation charge. After the departure date, a booking cannot be cancelled and unused services are not refunded (no-show).

3. What are the Domestic Standard cancellation charges?

Days before departure	Cancellation charge	Refund percentage
45+ days	10%	90%
30-44 days	25%	75%
15-29 days	50%	50%
7-14 days	75%	25%
0-6 days	100%	0%

For Domestic Standard bookings, the cancellation charge is 10% at 45+ days, 25% at 30-44 days, 50% at 15-29 days, 75% at 7-14 days, and 100% at 0-6 days before departure. The corresponding refund percentages are 90%, 75%, 50%, 25%, and 0%.

4. What are the International Standard cancellation charges?

Days before departure	Cancellation charge	Refund percentage
60+ days	15%	85%
45-59 days	30%	70%
30-44 days	50%	50%
15-29 days	75%	25%
0-14 days	100%	0%

For International Standard bookings, the cancellation charge is 15% at 60+ days, 30% at 45-59 days, 50% at 30-44 days, 75% at 15-29 days, and 100% at 0-14 days before departure. The corresponding refund percentages are 85%, 70%, 50%, 25%, and 0%.

5. How do Flexi and Promo fares work?

Days before departure	Cancellation charge	Refund percentage
30+ days	0%	100%
Under 30 days	Standard tiers of the trip type	As set by that Standard tier

For Flexi bookings, the cancellation charge is 0% at 30+ days before departure and, under 30 days, the Standard tiers of the relevant trip type apply. The refund percentage is 100% at 30+ days and otherwise follows that relevant Standard tier.

Timing	Cancellation charge	Refund percentage
Any time after booking	100%	0%

For Promo bookings, the cancellation charge is 100% at any time after booking and the refund percentage is 0%.

6. What is deducted before a refund?

The cancellation charge is a percentage of total package cost. The refund percentage is applied to the amount paid after non-refundable components are deducted. For domestic trips, issued air or rail tickets are refunded only under carrier rules and the booking service fee is non-refundable. For international trips, issued air tickets are refunded only under airline fare rules; visa fees, visa service charges, the travel insurance premium once issued, and the booking service fee are non-refundable. Wayfinder Holidays does not refund TCS. International TCS is deposited with the government against the traveller's PAN and the traveller claims it as a credit in their income-tax return.

7. How do I cancel and receive a refund?

The AI support assistant can cancel a Booked trip only after it first shows the applicable cancellation charge percentage, refund percentage, non-refundable components and refund timeline, and the customer gives explicit confirmation. After confirmation, the booking status becomes Cancelled, a cancellation reference in the format CXL-YYYY-NNNNNN is issued, and the refund is Initiated. Refunds are paid only to the original payment mode, never in cash, within 15 working days for domestic trips and 30 working days for international trips, counted from cancellation. Banks may take a further 5-7 working days.

8. What special cases apply?

Visa refusal is handled only by Customer Care. If an international traveller sends the refusal letter within 3 working days of receiving it, the cancellation charge is capped at 25% or the applicable Standard tier, whichever is lower; visa fees remain non-refundable. If Wayfinder Holidays cancels, the customer chooses a 100% refund of the amount paid or a credit shell worth 110% of the amount paid. For force majeure, the customer receives a credit shell for the amount paid minus non-recoverable supplier costs, or a refund of amounts recovered from suppliers. Medical emergencies use the standard cancellation charges; the traveller may claim from the insurer and Wayfinder Holidays provides the cancellation invoice.

9. What are credit shells, partial cancellations and exceptions?

A credit shell is valid for 12 months from issue, usable for one new booking, not encashable, and transferable only to an immediate family member. Removing travellers is a partial cancellation and an amendment handled only by Customer Care; removed travellers are charged under the tiers above and a single supplement may apply to a traveller left alone in a room. The AI support assistant never waives cancellation charges or grants exceptions. Customer Care may review an exception case by case and does not guarantee approval.
