Payment Policy

Wayfinder Holidays Pvt. Ltd.
Version v1 | Effective 2026-04-01

1. Purpose and scope

This policy applies to payments arranged by Customer Care outside the app. The app and AI support assistant do not show prices, payment amounts, invoices or payment status.

2. What payment schedule applies?

For domestic trips, 25% of the package cost is due at booking and the balance is due 21 days before departure. For international trips, 30% is due at booking and the balance is due 30 days before departure. A booking made inside the relevant window requires 100% at booking.

3. Which payment methods and documents are accepted?

Customer Care accepts UPI, debit or credit card, net banking and NEFT/RTGS. Cash is accepted only within limits allowed by Indian law. International travellers must provide PAN and sign the foreign exchange declaration required under the Liberalised Remittance Scheme. GST and TCS apply at the rates prescribed by law at the time of payment; this policy does not state rates.

4. What happens if payment is late or fails?

If the balance remains unpaid for 7 days after its due date, Wayfinder Holidays may cancel the booking and WH-POL-003 cancellation charges apply as of that date. Customer Care handles failed or duplicate payments. A failed or duplicate payment that is reversed is returned to the original source.

5. How are receipts, invoices and refunds handled?

Customer Care issues receipts and invoices. Refunds are paid only to the original payment mode and never in cash. Refund timing and non-refundable components are in WH-POL-003. The AI support assistant cannot take payments, issue invoices, speed up refunds or disclose payment status.
