Amendment and Change Policy

Wayfinder Holidays Pvt. Ltd.
Version v1 | Effective 2026-04-01

1. Purpose and scope

This policy explains changes to a booking. Day-plan edits are free app planning changes; amendments change the booking and are handled only by Customer Care.

2. What can I edit freely in the app?

A traveller may reorder, add or remove sightseeing stops in the day plan at any time before departure. Day-plan edits are free and unlimited, do not change the booking, and do not change travel dates, destination or traveller names.

3. How do date changes work?

A date change is allowed once per booking up to 15 days before departure. The amendment fee is INR 1,500 per person for domestic trips or INR 3,000 per person for international trips, plus any difference in supplier costs. Less than 15 days before departure, a date change is treated as a cancellation under WH-POL-003 plus a new booking.

4. Can names or travellers change?

A domestic name change is allowed up to 7 days before departure if tickets are not issued. For international trips, only airline-permitted spelling corrections are allowed; a booking cannot transfer to another person after ticket issue. Adding or removing travellers is handled by Customer Care. Removing travellers is a partial cancellation under WH-POL-003.

5. Can I upgrade a hotel or room?

Hotel or room upgrades are subject to availability and supplier cost, as confirmed by Customer Care. Promo fares cannot be amended. The Standard, Flexi or Promo fare type is fixed after booking.

6. How do I request an amendment?

Contact Customer Care at care@wayfinder-holidays.example or +91 44 4000 1234, Monday to Saturday, 09:00-19:00 IST. The AI support assistant cannot change dates, names, travellers, rooms or fare type.
