Visa, Passport and Travel Documents Guidelines

Wayfinder Holidays Pvt. Ltd.
Version v1 | Effective 2026-04-01

1. Purpose and scope

These guidelines identify core travel-document responsibilities. Rules can change, so travellers must always check the official embassy, consulate or government website.

2. Which documents are required for domestic trips?

Every adult needs valid government photo ID: Aadhaar, passport, voter ID or driving licence. Some areas, including parts of Sikkim, Arunachal Pradesh and Ladakh, require Inner Line or Protected Area Permits. Customer Care helps apply, but the traveller remains responsible for holding valid documents.

3. What passport and visa rules apply internationally?

An international traveller needs a passport valid at least 6 months beyond the return date with at least 2 blank pages. The booking name must match the passport exactly. The embassy or consulate decides a visa; Wayfinder Holidays only assists with the application. Typical supporting documents may be requested by the relevant authority. Apply early and check transit-visa rules.

4. Are vaccinations and consent letters needed?

Some destinations require vaccination certificates, for example yellow fever. Minors travelling without both parents need a consent letter from the absent parent or parents. Travellers must meet any airline, transit-country and destination requirements.

5. What if a visa is refused?

Visa refusal cancellation treatment is in WH-POL-003. The customer must send the refusal letter to Customer Care within 3 working days of receiving it. Visa fees remain non-refundable. The AI support assistant cannot handle visa-refusal cases or provide visa advice.
