Travel Insurance Policy

Wayfinder Holidays Pvt. Ltd.
Version v1 | Effective 2026-04-01

1. Purpose and scope

This policy explains the insurance requirement and how insurance sits alongside the package cancellation policy. Insurance terms are issued by the insurer and claims are made directly to the insurer.

2. Is insurance required?

Travel insurance is mandatory for international trips. The traveller may purchase it through Wayfinder Holidays or show proof of equivalent cover. Travel insurance is optional but recommended for domestic trips.

3. What may insurance cover?

Typical cover may include medical emergencies, trip cancellation for covered reasons, baggage, passport loss and flight delay. Exact cover, limits, claims conditions and exclusions are determined by the insurer’s policy wording.

4. What may be excluded?

Typical exclusions may include pre-existing conditions unless declared and adventure sports unless added to the policy. Age-related conditions may apply. The traveller must disclose information required by the insurer and read the insurer’s policy wording.

5. How do claims and cancellation interact?

Claims are made directly with the insurer. The insurance premium is non-refundable once the policy is issued. Cancellation charges under WH-POL-003 still apply to a cancelled package; a traveller may make an insurer claim for a covered cancellation reason. Wayfinder Holidays can provide a cancellation invoice for an insurance claim.
