Wayfinder Holidays Pvt. Ltd.
Version v1 | Effective 2026-04-01

## 1. Purpose and scope

This policy explains age categories, group treatment and room occupancy. Separate group terms are issued by Customer Care for a group booking.

## 2. What are the traveller age bands?

An infant is under 2 years. A child is 2 to under 12 years. An adult is 12 years and over. A senior is 60 years and over. Customer Care confirms whether an infant or child has a bed or no bed and the applicable service arrangement.

## 3. What applies to senior travellers?

An international traveller aged 70 or more must submit a medical fitness declaration. The traveller remains responsible for assessing fitness to travel and for meeting airline, insurer and destination requirements.

## 4. What is a group booking?

A group is 10 or more travellers on one booking. Customer Care issues separate group terms. A group traveller must comply with booking, document, conduct and payment requirements confirmed by Customer Care.

## 5. When does a single supplement apply?

A single supplement may be charged when an adult occupies a room alone. Customer Care confirms the supplement and room arrangement. A partial cancellation may leave one traveller in a room and may trigger a single supplement; see WH-POL-003.

## 6. What applies to minors travelling without parents?

A minor travelling without both parents needs a consent letter from the absent parent or parents. The traveller and guardian remain responsible for any additional airline, hotel, immigration or destination requirements.
